

PRICE LIST OF DEBITUM NETWORK SERVICES

Charge type	Amount (EUR or %)
Investor fees related to investment services	Free of charge
Investor fees related to financial instrument	Free of charge
Inducements received by Debitum platform from Loan originators	1-3% per annum of invested amount received from a loan originator as a fixed fee or as a difference between a fixed “all in” fee minus the interest rate for a particular financial instrument provided on the Platform.

Cumulative effect of charges on investor’s return

Due to no direct fees to the Investor, Investor’s expected return per annum per investment in an asset (financial instrument) is equal to interest rate indicated on the platform per annum for that asset.
